

Memory Boxes

The memory box contains *150* words specially selected to trigger memories.

★ **Pick a word and share a personal memory based on the word** ★

Families Parents and children, couples, grandparent and grandchild
~ everyone can use the words for sharing after dinner, quiet time or in the car.

Social Events Something new to talk about at social events, reunions, family gatherings, or even weddings.

Individuals The words are a starting point for stories, poems or songs.

Caregivers Use the words as a topic for conversation in the home or when visiting someone.

Teachers The words are perfect as themes or starting points for written and oral assignments.
Intergenerational Programs ~ where the young and the old can compare memories of yesteryear with today.

Every Word Tells a Story

The memory box is Canadian made from Birch Veneer, stained, hand-painted with acrylics and coated with a water-based varnish.
